Marine Park entrance Fee: All guests (diver and non-diver) who visit Raja Ampat need to pay an additional National Park Entrance Fee of IDR 1,000,000/pax.

This Marine Park Tag is valid for one calendar year. Payable in the Resort upon arrival. Please note that the National Park Entry Fee might change without prior notice and therefore we will be obliged to charge and collect the new amount and/or the difference upon arrival.

Travel Insurance: Biodiversity Eco Resort is not responsible for any situation beyond our control including but not limited to cancellation or rescheduled flights or ferry, weather conditions, natural disasters, illness... Therefore we recommend that you purchase travel insurance in order to avoid unforeseen circumstances. Biodiversity Resort is not liable for any travel or medical related costs.

Diving insurance: Our diving center operates in accordance with the highest level of safety to the guest. Due to our remote location, it is mandatory that all divers have a Diving Insurance which covers emergency evacuation. If you fail to have one upon check-in you can purchase our DAN shortterm insurance: 10 days 35 EUR or 30 days 40 EUR. A regular travel insurance usually doesn't cover diving and/or emergency evacuation for diving related incidents.

Safe diving practices: Divers agree to adhere to established safe diving practices at all times. Including No Decompression Limits and the limits of certification and training. For safety reasons all divers who haven't dive for more than one year and a half must complete a scuba review (supplement 40 EUR).

Medically fit to dive: If you are aware of, or suspect any medical conditions that may affect your health and ability to dive, you agree to be examined by a medical doctor prior to arrival and provide us with a copy of the medical certification that you are fit to dive.

Dive sites: We aim to plan an exciting itinerary of sites for diving and snorkelling. The sites on the itinerary are the decision of Biodiversity Resort managers based on several criteria including weather, tidal conditions, divers experience, apparent health and the interests of the majority of guests. We aim to accommodate all guests' requests but we do not guarantee the inclusion of specific sites in the itinerary. Some sites may not be appropriate for some divers.

Fuel surcharge: The majority of the best diving in Raja Ampat is located within 10km from the Resort, these are the dive sites that we include in the diving package. We also offer special day trips to further away dive sites, we charge extra supplement for fuel. Our current fuel surcharges are for The Passage, Fam Islands, Manta Sandy, around Gam Trip.

Equipment rental: We have a limited supply of dive equipment for rent so if you need to hire gear please let us know exactly what you need in advance with sizes required. We do not guarantee to have all sizes available, particularly if the request is not made well in advance of arrival. The guest is responsible for equipment when in use and any equipment loss or damage may be charged up to 350 EURO per item.

Payment: We require a minimum of 25% of the full Invoice amount to confirm your booking. The balance of the invoice has to be received by us at least 45 days prior to the arrival of the guests. The invoice amount has to be paid in full, net of all transfer costs and bank charges. For bookings within 45 days of arrival please pay the full amount.
