

YENBESSER BOOK & LIBRARY PROJECT

“There are perhaps no days of our childhood we lived so fully as those we spent with a favorite book.” – so said the famous author Marcel Proust

Everyone should have the opportunity to read, whatever their circumstances. At Biodiversity we're running a project which aims to provide quality books which meet the needs of the children in our neighboring Yenbeser Village, helping with English education and increasing learning capacity for long-term impact. Eventually, we hope to consolidate this work, by building a new Library for the school.

We are asking guests to **DONATE BOOKS**, old and new, to the library. Whatever you can bring along with you will be put to great use. We would like to ask guests to bring culturally appropriate books suitable for ages up to a native English speaking age of 7 years, with emphasis on the middle ground – 3-5 years.

IN RETURN, WE'D LIKE TO OFFER ALL OUR DONATING GUESTS A WEEKLY COMPLIMENTARY TRIP TO THE VILLAGE TO GIVE YOU THE OPPORTUNITY TO HAND OVER THE BOOKS PERSONALLY, AND TO MEET THE SCHOOL CHILDREN AND VILLAGERS WHO WILL BE BENEFITING FROM YOUR DONATION

We'll also keep you up to date with news of all our community projects through our quarterly newsletter.
